Dear Ms. Bernier:

On October 1, 2025, the Alaska Universal Service Administrative Company (AUSAC) filed TA45-998 containing its updated Alaska Universal Service Fund (AUSF) surcharge factor calculation and budget for 2026. On November 6, 2025, the Regulatory Commission of Alaska retained the ten percent AUSF surcharge factor for 2026 consistent with the surcharge cap imposed by 3 AAC 53.340(d), and approved AUSAC's 2026 operating budget for administering the AUSF.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
