Dear Ms. Bernier:

On October 2, 2026, the Alaska Universal Service Administrative Company (AUSAC) filed TA47-998 containing its updated Alaska Universal Service Fund (AUSF) surcharge factor calculation and budget for 2027. On October 29, 2026, the Regulatory Commission of Alaska retained the ten percent AUSF surcharge factor for 2027 consistent with the surcharge cap imposed by 3 AAC 53.340(d), and approved AUSAC's 2027 operating budget for administering the AUSF.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
